

The Upside Of Aging

Volume 3, Issue 8

August 2019

We would like to say a big “Thank You” to our awesome volunteers for coming to our office monthly to stuff our billing envelopes. We appreciate you!!

New Invoices

Many of our clients have called asking about the light blue lines on our new invoices. They are used to separate the line items on your bill so it is easier to read.

Date	Description
05/04/19	PERS GPS - PERS MONTHLY FEE
05/15/19	Home Health Care - Hourly Visit
05/21/19	Home Health Care - Hourly Visit
05/28/19	Home Health Care - Hourly Visit
05/28/19	Home Chore Lawn Maintenance - HC Lawn

Note: Payments made after the 27th of the month may not appear on your next month’s invoice, as we cannot process payments again until those invoices have been printed.

Also, if you have a credit or zero balance on your account the system will not generate an invoice until you have a balance due again.

AARP DRIVER SAFETY COURSE OFFERED

Commission on Aging will again host the AARP Smart Driver Course™. AARP Driver Safety is the nation's first and largest refresher course designed specifically for drivers aged 50 and older.

Classroom instruction is scheduled for September 26 and September 27 from 9:00 a.m. to 1:00 p.m. This is a two-day class and participants must attend both days to receive a certificate. Classes will take place in the lower conference room of the Grand Traverse County Commission on Aging. There is a fee of \$15 for AARP members and \$20 for non-AARP members to take the course.

Several major auto insurance carriers in Michigan offer discounts to graduates of the program. Interested persons should contact their automobile insurance carrier to see if they offer such a discount.
