The Upside Of Aging

Volume 4, Issue 6

June 2020

Caring for those who cared for you, since 1975

We are pleased that we have been able to provide services to our clients again - we've missed you! We are asking for your patience as we resume services. Extra time is needed to reschedule clients due to the COVID-19 virus restrictions and being short-staffed. We are taking all of the precautions to keep you and our workers safe.

Our office is closed to the public until June 29. We will reopen by appointment only and customers will be required to wear a mask.

Call us anytime for transportation options, looking up your scheduled appointments, for your account balance, or any other questions that we can assist you with. Thank you!

**We have fabric masks available for clients that may need one. We can either have your worker bring one or set them out in our entrance area to pick up.
Call our office to request: 231-922-4688**

Employees of the COA and local fire fighters helped the Senior Center distribute food recently. Fresh produce boxes will continue to be distributed to seniors in Grand Traverse County for the next few months. If you would like to be put on a call list when these are available, call the **Traverse City Senior Center at 231-922-4911.**
